Community Service Hours

Many GIFT Mission Nights are designed to do outreach for other people (they take the place of what was previously known as community service hours. Because you have missed some of these evenings we are asking you to do some kind of outreach. You and your sponsor should come up with an idea and then you need to complete it. Answer the following questions and have whomever you did service work for and your sponsor sign the form along with yourself.

1. What project did you decide to do and for who?

2. How many hours did the project involve?

3. How did this outreach connect with what you have learned in confirmation class about reaching out to others?

Sponsor: _____

Candidate: _____

_____ did _____ hours of work for me and it was
(Candidate's name) (number)

completed on _____. _____
(date) (Signature)
